REPAIR

With our wealth of experience and state-of-the-art workshop, we are able to diagnose and repair even the most difficult problems. Since we focus exclusively on BMW and MINI vehicles, we are familiar with the most common issues and the best way to address them. We try to avoid the typical 'throw parts at your car until it's fixed' method, instead relying on patient diagnostics to identify the real faults, and fixing them.

LONG-TERM PARTNERSHIP

We pride ourselves in developing long-term relationships with our clients, relying on honesty and clarity as we address our clients' automotive needs. Our goal is to service the client's vehicle in the most efficient and cost-effective way, without overselling unnecessary parts and services. We get an understanding of what the needs are and execute based on those needs.

THEY HATE US AND WE DON'T CARE

Don't go to Gino's and don't pose in front of the Rocky statue: that's for tourists. Where do you go if you're in the know? Here's the first installment of our insider's guide to the best Philly has to offer. Where do we start? Food, and yes, we'll get to the cheesesteak, but first, the City of Brotherly Love's second sandwich, the Hoagie (say 'talianoewgee') ...
